

Financial Impact Report

Your Generosity Matters

Here's how you've impacted one family's life:

I have been greatly humbled by the Lord TWICE in my adult life. The first was when I was arrested (which has

turned out to be one of the most defining moments of my life) and the second when I found myself to be pregnant outside of a covenant marriage. Trust me when I say that I was the least likely person to ever have either of these things happen to me! In the last few years the Lord has shown me the power and the beauty of brokenness and by his grace and his love, I was gifted the most beautiful, sweet and joyful little human to raise.

I have deeply struggled with finding a church home in the last few years, even more so after being hurt by close friends in ministry. There was a time when I would have seen others in my position and been incredibly judgmental and superficial. For that, my heart is truly sorrowful. Pride and self-righteousness is

the most wicked state of the heart and we have no idea the capacity of the damage we are doing as believers.

We dropped Titus off in the nursery at church today and they had a name-tag waiting for him! When I went to pick him up, the lady holding him didn't want to give him back! "He's so sweet," she said. Such a great way to make us feel welcomed and a part of the River Oaks family.

I am so thankful that what the enemy intends for evil the Father uses for the good of the Kingdom. Whether he was conceived while we were married or not, they'll never know. He was created to bring joy to this world and I am reminded daily that this is exactly what he is doing.

DID YOU KNOW?

Credit cards make life a lot more convenient, but they are actually the most expensive way of contributing to our mission! **About 3% of every credit card transaction is used to pay for the ability to charge them. Last year, those fees totaled nearly \$8,000!** If you consider giving via ACH or via your personal bank's 'Bill Pay' solution, those funds can be used for more ministry instead!
